Year 1
Autumn 2025

Computing

As programmers we will… Understand how to log on to the chrome books independently.

Science

As scientists we will learn about animals including humans and seasonal changes. We will…

- Group animals and understand what makes us human.
- Understand herbivores, carnivores and omnivores.
- Seasons of autumn and winter

The Arts

As musicians we will…

Perform, compose and describe music.

As artists we will…

- Learn what sculpture is.
- Why do sculptors sculpt?
- Nature and why it is used to create art.
- Colour mixing

As designers we will…

We will become a toy maker and construct a toy from recycled materials which will be fun to play with.

RE

Branch 1 - Creation and covenant

Branch 1 helps the children explore the Christian belief that everything that is comes from a loving God.

Branch 2 - Prophecy and promise

Branch 2 introduces the children to the birth of Jesus as recorded in the Gospel of Luke.

P.E

As athletes we will…

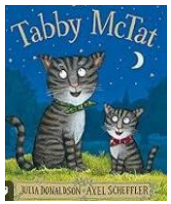
We will develop our fundamental movement skills and co-operation through activities and games.

We will work with the Elite team to develop our knowledge, understanding and skills in dance.

Mathematics

As mathematicians we will…

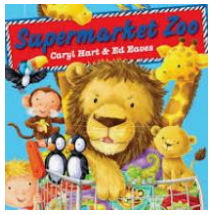
- Place value (within 10)
- Counting forwards and backwards within 10
- Order objects within 10
- Number line
- Addition and subtraction within 10
- Addition and subtraction problems

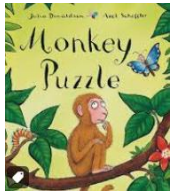


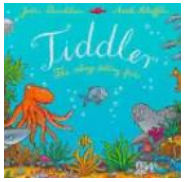
History

As historians we will…

Look at a range of different toys and understand how they have changed over the last 60 years.







Experiences

We will experience…

- Be Internet Legends assembly.
- Black History Month
- Anti-bullying week
- Remembrance
- KS1 Nativity
- Craft morning
- Christingle

English

Over Autumn 1, we will have a focus on handwriting and transcription units on Julia Donaldson. In Autumn 2, we will have a focus on the place value of punctuation and grammar, building sentences for Toy Man.

Geography

As geographers we will…

Start by looking at our school classroom and where abouts our school is. We will expand to look at where in that sits in relation to country and continent.

We will look at human and physical features of geography alongside examining maps and understanding what a map is, why we use a map and the various types of maps we have available.
